REMARKS

Claims 1-8, 10-42, and 57-90 are currently allowed. Applicants' previous representative, Richard P. Dodson, *via* a telephone conversation on March 1, 2005 authorized alterations to the application to place the claims in condition for allowance. The Examiner's amendments appear to capture the substantive changes to the claims in accordance with that telephonic interview, namely incorporation of claims 13, 14, and 85 into the independent claims. However, the Examiner's provided claim set includes several typographical errors, antecedent basis problems and the like. Accordingly, the Examiner's amendments are rejected.

Please amend claims 1, 11, 21, 33, 38-40, 57, 69, 80, and 81 as provided at pages 2-15. This listing of the claims is believed to properly incorporate the subject matter of claims 13, 14, and 85 into the independent claims. Entry of the subject amendments prior to issuance is respectfully requested.

In the event any fees are due in connection with this document, the Commissioner is authorized to charge those fees to Deposit Account No. 50-1063 [MSFT1038US].

Should the Examiner believe a telephone interview is necessary to discuss these changes, the Examiner is invited to contact applicants' undersigned representative at the telephone number below.

Respectfully submitted,

AMIN & TUROCY, LLP
